Cummings Media is proud to present *Alt by SHOW*. This is the publication for lovers of fetish and alternative models. Fetish and alternative encompasses everything from latex, body art, tattoos and body alteration to pin-up and burlesque.

Alt models are increasingly in high demand. Our cover model Mosh is perhaps today's hottest alternative/fetish model. She is definitely the it girl of the moment in the *Alt* universe. Her dynamic talent is highlighted by her ability to contort her body beyond belief while commanding the camera's attention better than any *Alt* model I have ever seen.

Body art is at the height of its popularity. Elaborate, colorful tattoos are a beautiful form of self-expression. So, when a gorgeous woman like our other cover model Queen Esther adorns her body with such art it presents the perfect picture.

Alt is dedicated to beautiful, vibrant and colorful images, which showcase the unique talents and beauty of alternative models. Future issues will continue to bring you well known models like Angela Ryan and Perfect Housewife as well as introduce you to burgeoning stars like Vanessa Lake and Megan Daniels. We hope you enjoy this new title, as we are very pleased to bring it to you.

Queen
Esther

HI

Hey there! For those of you that don't know, my name is Esther Hanuka, aka Queen Esther. I am Guatemalan and Israeli, born and raised in Miami Florida but currently live in Southern Cali. I love modeling, and have been modeling since 1998. I have appeared in all types of music videos for artists such as Ice Cube, Master P, A Tribe Called Quest, Genuine and many more.

I have also modeled for several magazine covers and spreads all over the world. I also own a modeling agency called Queen E Models which features models of all sorts and styles. Most of them have tattoos. I love helping new models start their career and also help experienced models take their career to the next level and I plan on doing this for many years to come. :)

When I am not working I love to have fun, go out, relax and most important, hanging out with my kids because I do have 5 little ones ages 10,8,7,6, and 2 years old. Believe it or not they are all mine! :)

I am a very loving, loyal, blunt, crazy and spontaneous type of person and very in love with my sex toy Chucky Styles from DGAF which is a group that is signed with a record label called Suburban Noize. :)

I love to sing in the shower, dance all over my house when I clean and keep myself as young as possible so I can keep up with my kids. :)

I currently have a few features to keep a look out for such as Maxim Espanol, Tattoo Energy and I am currently in the works of a reality show based around my models, my company, and my family.

You can find me on model mayhem #815099
myspace.com/estherhanuka
twitter "realqueenesther"
facebook "estherhanuka"

Thank you so much for having me in your first issue I am truly proud of it and can't wait to help Sean Cummings put more of these mags together :)

Thanks again, Love Queen Esther!!

My name is Monica Renee and I was born and raised in beautiful San Diego, CA. Being a true southern California girl, I LOVE spending time at the beach, soaking up the sun and lounging with my friends. I also have a huge passion for music (especially the hardcore genre) and try to see as many live shows as possible. I've been modeling professionally for almost five years now and have loved every minute of it. Being a tattooed model has opened a lot of doors for me and I have been fortunate to have worked with many high profile companies such as Harley Davidson, Affliction/Sinful Clothing, Lucky 13, Metal Mulisha, Lip Service, Coffin Case and Foster Clothing. I have also been published in many magazines worldwide both as a cover model and as a featured model. I am very excited to see what the future holds for my career and me. I do have a few projects in the works that I am very excited about. I am in talks to host my own show, which would have something to do with musicians and bands. Also, keep an eye out for the re launch of my website later this year as well!

Perfect Housewife

My name is Diahann aka Perfect Housewife, born May 12th 1984, making me 25 years old and a Taurus. I'm from Long Beach and still live in Southern California. I love to model, act, travel, listen to music, and meet new people. I've been in magazines like Skinnie, JM Hot Rod, Tap Out, Deluxe, Old School Hot Rod, many others, and was also Miss Ink-N-Iron 2009. I've worked on many shows and movies, for example Sons of Anarchy the past two seasons. We start filming the new season April 23rd. On top of being a model and actress, I am also a hair and make-up artist. I've been all over the UK, five of the Hawaiian Islands, France, the west and east coasts of the US, and I can't wait for my next trip, most likely to Thailand. I love to do Outdoor Activities, especially Extreme Sports like Snowboarding, Wakeboarding, Dirt Bike Riding, and Skydiving. I like doing fun things with my family and friends like Hiking, Fishing, and going to the Beach. I like going to car shows too, so I could see really nice '52 Mercury's and '58 Impalas to name a couple.

I was pregnant during the Alt Magazine shoot, and can't wait to start my family. I'm an outgoing and loving person, and can't wait to see what the future holds for my new family and me.

ALI

Angela Ryan

Angela Ryan, the original Living Doll, is an internationally acclaimed fetish model and burlesque performer. Since beginning modeling in 2001 this fiery red headed vixen has worked with the top names in fetish/alt/pinup photography including Steve Diet Goedde, Viva Van Story, Christine Kessler, Holly Randall, Shannon Brooke and Perry Gallagher. She has also graced the pages and covers of many of your favorite magazines and books including two Leg Show covers, Gothic Beauty, DeadBeat Magazine, Bizarre, Marquis, Secret, Skin Two, OfSkool Rodz, and most recently Bachelor Pad Magazine.

In 2004 the savvy sex kitten decided to give burlesque performance a try and has tantalized audiences in over 300 shows on tour with OzzFest, from London to Lima and Los Angeles, and she shows no signs of stopping. When not at her home in Dallas with her cats and her favorite food, macaroni and cheese, this petite pinup doll is busy jet setting the globe doing photo shoots, fashion shows, headlining performances, and guest appearances.

To see more of this ever evolving muse go to www.angelaryan.com and you'll understand why everyone agrees: Angela Ryan is Heaven Sent, Hell Bent!

Alt

Hello viewers, my name is Mosh and I'm a fulltime fetish, alternative, and nude model. The full story is that I was born in the Soviet Union and moved to the United States at a young age. During my earlier teenage years I became fascinated with images of fetish-wear, bondage, and pin-up. Soon after, I discovered my own fetishes for rubber, 6" stilettos, and the list goes on. Years later I joined in on the fun and now enjoy being surrounded by the world of fetish and (almost) everything considered alternative. I model everything from latex to lace across North America but am primarily based in Los Angeles, CA. When I'm not working for other companies, I'm shooting and running my own website, themoshroom.com! Recently I was placed on the cover of Bizarre for the second time and filmed for Playboy TV. I have many things in the works but the most recent thing I can think of is catching me at Torture Garden in Toronto, a fantastic fetish event!
