My name is Kelly Eden. I'm an alternative model, tattoo artist, hyper-realistic painter, and schoolgirl from the Denver Metro area. I'm an artist by heart and a muse by nature. I love everything I do and I have an amazing time doing it. If I'm not in front of a camera I'm usually in front of a canvas. I'm also graduating this year on the dean's list and I'm very excited!

While working my way through college I pursued a job at a tattoo shop as a receptionist when I was 18 years old. Completely oblivious to my artistic talent, I presented my paintings to one of the head artists. He was entirely impressed. He took me away from the receptionist desk as his own apprentice. A year later I finished my apprenticeship and started working in a shop. I'm still a beginner; it was while working in the shop that I was noticed by photographers and introduced to the modeling industry. Modeling became not only a career but also a passion and inspiration. I love every second of it.

Featured in Seventeen Magazine, People Magazine, Tattoo Society Magazine, Skin Art Magazine, Tattooist Art Magazine, Giusepinna Magazine, and more.

She is highly recognized as being sweet and provocatively enticing, but not so innocent. From her deadly smile to her signature dimple piercings, Brittanya is filled with what Bret Michaels calls exotic confidence. She's unique in her own way, and she knows how to flaunt it.

In 2009, O'Campo was featured in 7 consecutive magazines over an 8 month span including being the cover girl on MMA Sports Magazine, Spire Magazine, Rebel Ink, Savage Tattoo, Tattoo Energy, Tattoo Magazine (Czech Republic), and Obscene Magazine. All of which were published and distributed in stores nationwide.

Brittanya is ready for the New Year and is setting the bar high! She recently launched her 187 Avenue Brittanya Signature series shirts in all 57 No Fear stores nationwide, and is in major negotiations with 2 other well-known franchise distributors for her own clothing line. *"I love all aspects

Hi guys and dolls...let me take a moment to introduce myself. My name is Jessica Lyn and I have been modeling professionally for about a couple years now. I love all aspects of art and I love modeling because it's a fun way to express myself. I put on so many different faces for each shoot, but I'm still just a rocker chick at heart ;) I've met a lot of great people in this industry and wouldn't trade my life for anything. As for me as a person, I'm actually really shy at first, I love to laugh, and I put my whole heart and soul into everything I do.

You'll usually find me in my kitchen baking cupcakes (I hope to open my own bakery one day very soon!), at a local punk show or an art museum with my wonderful boyfriend, or spending time with my friends. My one goal out of life is not to be rich or famous, not to own nice cars and live in a big mansion, but to be happy with myself and what I've done with my life...and so far I have no regrets ;)

*"I love having orange
hair, anywhere

tangerine & yellow!"*

ALI

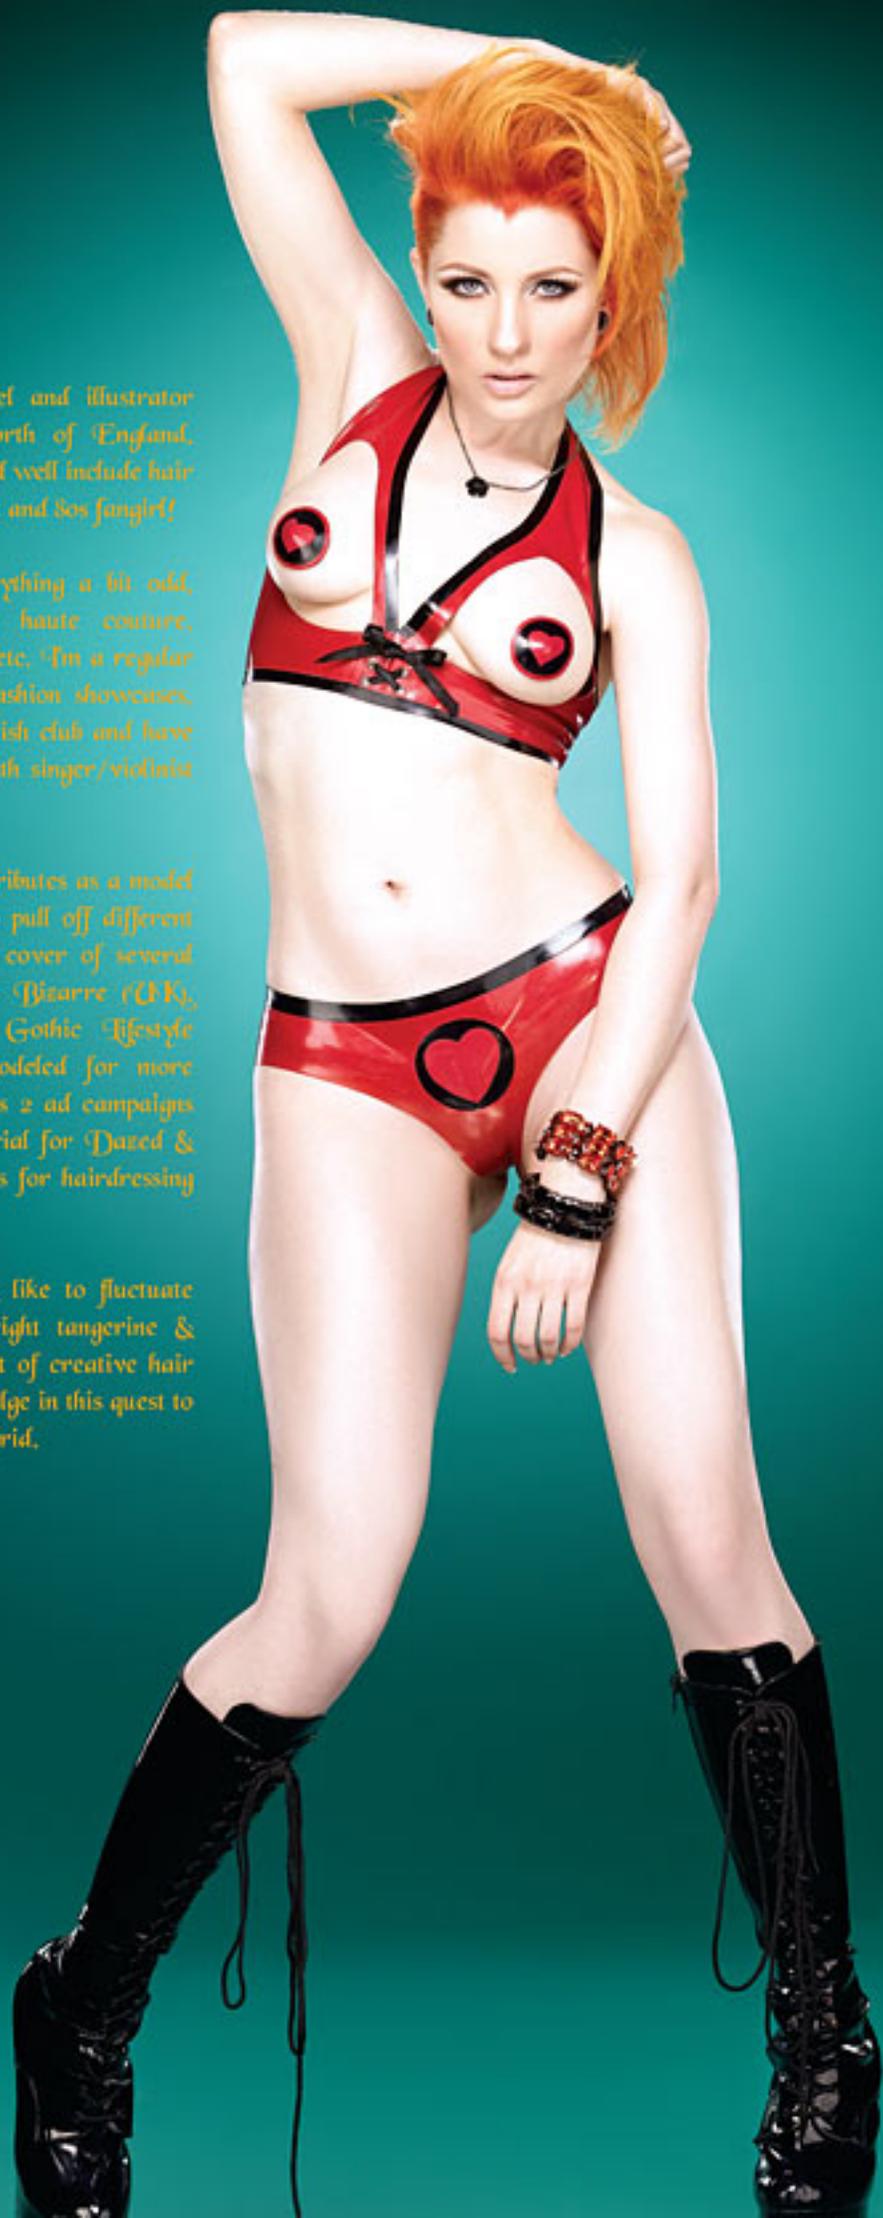

Tm a professional model and illustrator originally from the north of England. Other descriptions could well include hair dye enthusiast, high heel fetishist and box fangirl!

As a model I love doing anything a bit odd, quirky, shiny, avant garde, haute couture, dystopic, futuristic, punk rock etc. I'm a regular model for Torture Garden fashion showcases, which is London's premiere fetish club and have also toured as a performer with singer/violinist Emilie Autumn.

I think one of my strongest attributes as a model is my versatility and ability to pull off different genres. I've appeared on the cover of several alternative magazines such as *Bizarre* (UK), *Gothic Beauty* (US) and *Gothic Lifestyle* (Germany) but have also modeled for more mainstream companies, such as 2 ad campaigns for *TKA* bedhead, an editorial for *Dazed & Confused* and numerous covers for hairdressing magazines.

I love having orange hair & like to fluctuate anywhere from copper to bright tangerine & yellow! Thankfully I do a lot of creative hair modeling that allows me to indulge in this quest to be a golden peacock/canary hybrid.
