Notorious Ang

If you've ever considered selling your soul for rock 'n' roll, then look no further. My name is Angela, but you might know me as Notorious Ang: Pinup model extraordinaire, self-proclaimed nerd, and rock enthusiast. Too weird to live, too rare to die.

Aside from my modeling duties, I am a Radio DJ at 1077 The Bone in San Francisco. I put the "Class" in "Classic Rock" every Sunday morning... or is it the "Ass" in "Classic Rock"? Hell, I forget. I began modeling in 2008, and have been having the time of my life ever since. I've had the privilege of working with companies like Coffin Case, Steady Clothing, Iron First, Girls of Monster Garage, and Dollhouse Bettie. I was immediately drawn to retro inspired themes, and that era in time where women were viewed as classy, elegant, and even a bit dangerous. I draw my inspiration from icons such as Marilyn Monroe, Sophia Loren, and Rita Hayworth. My career in radio started in 2009, when I won the title of "Bone Rock Girl", spokes model for KSAN FM in a "52 girls will enter, but only one will leave" style contest. "Feisty" might be a bit of an understatement. The first time I was given a mic I was hooked, and I don't plan on slowing down anytime soon. Who knew that my inability to keep quiet would be considered a talent one day? At times I've been known to be a complete workaholic. When I do get a minute to relax I'm all about spending my days holding down the ice chest on the California Delta, or traveling as far as I can when ever possible. In the past few years I've been lucky enough to visit places such as Rome, Milan, Barcelona, Paris and Amsterdam. I'd love to add Costa Rica to that list, but for now I am just happy to call San Francisco my home, sweet home. Keep your eyes peeled!! I've got big things coming up in 2011. XO XO, Notorious Ang.

My name is Precious Little AKA Darya Dasha. I was originally born in Tartu, Estonia & grew up across Europe & America. I've been independent since the age of 14 & have lived a very full, varied, and unconventional life. I consider myself to be an emotive model with emphasis on highly conceptual, dark, and extreme beauty work. My favorite form of modeling & performing are shibari rope-work, bondage & suspensions.

I am a front-woman for my own industrial/electronic band called Sich & sing in both Russian & English. My primary passions are music production, electronics, post-production/photo editing & writing, in my free-time I also enjoy doing band interviews & album reviews for Cyber Angels. I pride myself on my veganism & am a romantically natured realist & tomboy.

My infatuations lie in music (primarily, industrial, EBM, metal), all forms of technology, philosophy, poetry, forensics, trans-humanism, artificial intelligence, quantum mechanics, weapons, sports motorcycles, anything adrenaline inducing & the concept of love. I consider myself to be a utilitarian humanitarian.

Hey Guys! My name is Miss Holly Cakes. I have been modeling for 3 years now and it has definitely been the most fun 3 years of my life. I've modeled for many different companies like my Sugardoll Bikinis, Purrfect Pineapples Lingerie, Shockhound.com, and a hand full of latex, bikini, and shirt companies. I have got to meet and work with a lot of amazing people along the way. I also do photography I hope to start taking photos for motorcycle and fashion magazines one day.

When I'm not working I enjoy being a mommy of two and spending as much time as possible with my friends and family because in the end they are all that matters. I also have my motorcycle license so once my husband fixes my bike (hint hint) I'll be riding to hell and back. I'm a total dork. I make fun of myself at shoots all the time. I love to laugh, I'm a clean freak, but other than that I'm very easy-going and very thankful for what God has given me.

I've had a fascination for monsters and horror movies ever since I was little and I want to incorporate that into my tattoos. As of right now I only have my upper back front left hip and my wrist tattoo'd but I'm saving to get my arm done next :)

Keep a lookout for me in up coming issues for Hot Bike Magazine, The Horse Magazine, Car Kulture DeLux Magazine, and of course ALT Exclusive which I'm most excited about:)

Imported from the UK in 2007, Kandy K swapped the rain puddles and Tetley Tea, for sand, sun and Arizona Iced Tea! Kandy has graced the cover of over a dozen magazines, catalogues, and calendars and was selected as one of Bizarre Magazine's cover stars and "Up and coming ALT models."

When not working as a freelance makeup artist she immerses herself in fashion at a local Betsey Johnson Boutique. Since moving to the US Kandy has reached many milestones in the industry in addition to starting a family with her husband. With family life continuously developing around her, she continues to make time to shoot with amazing photographers and incredible designers.

In October 2010 Kandy received call from ALT Exclusive Magazine with an opportunity to work with a team of established talent in the blossoming alternative industry. For her shoot she chose gorgeous latex from UK designer Violacious Latex and cruelty free lingerie from Purrfect Pineapples, two of her favorite designers. Working and meeting with such talented people is what keeps Kandy inspired to model, this drive has taken her from the web into print, be sure to look out for Kandy on the cover of new Book, "Tattoo Vixens" out at the end of the year! I grew up in sunny San Diego but have lived many places some of which include: Louisiana, Oregon, and Florida. I currently live in the City of Angeles where life is super fast paced just the way I like it. The culture here is crazy and tattoos are a big part of it. I've been getting tattooed since I was 17 years old and have been getting new pieces since. It's going to be a sad day when I no longer have any empty space on my body for new tattoos!

However, there is more to me than just my tattoos. I am a super hard working driven individual. A long time ago I decided I wanted to work for myself and I've worked hard to make that a reality. Recently I just launched my own business, following in the footsteps of my father. My business is called Sideshow by the Sea. It is an online business for now. The site offers a unique selection of body jewelry, hair accessories, jewelry, and also features an art gallery, check it out: www.SideshowByTheSea.com.

My business has become somewhat of a boyfriend. It takes up most of my time, sometimes it's a pain in my ass and makes things difficult and stressful but at the end of the day I can always count on it. As many of you know when you work for yourself you have no free time and I'm A-OKAY with that. I am focusing on nothing but myself and my endeavors this year and it's going to be a good one, I can already tell.

Kristen

I'll end with two of my favorite quotes because these wrap me up better than a nutshell could:
"A false-hearted lover will put you in your grave."

-HANK WILLIAMS

"Luck? I don't know anything about luck. I've never banked on it, and I'm afraid of people who do. Luck to me is something else: hard work -- and realizing what is opportunity and what isn't."

-LUCILLE BALL "

I invite you to be a part of my crazy life!:

Hey Lovies. I'm Lady Lunday. I've been modeling now for a couple years now and love every minute of it. Who wouldn't.:)

When I'm not modeling or working full-time as a network/desktop technician I am either working on my truck, or snowboarding. I pretty much put all my spare time and money into fixing or upgrading my truck or buying new gear to shred on the mountains. My home and favorite mountain is Big Bear because it's so close and has a great park.

I absolutely love tattoos, and although I may not like the time and pain to get one, I somehow keep going back for more. Thanks for checking me out, you can view more photos of me at www.myspace.com/LadyLunday or www.ModelMayhem.com/LaurenLunday and I'll see you on the mountain!
